Weave Poles PRICE LIST

Terms of Sale

- Cash or personal cheque, payable upon completion and notification of readiness for customer pickup.
- Prices are 'locals' basis for customer pickup and do not include any packaging or preparation for commercial transport
- Not all items are shippable – please ask if not otherwise indicated
- HST extra, as applicable
- Prices, availability and specifications are subject to change without notice
- While we make an effort to conform to the current and known requirements of the competition organizations, we respect the discretion of the Judge regarding suitability for use in registered competition and make no warranties regarding fitness for a specific purpose.

Availability – Typically 10 to 20 days after order confirmation for standard catalogue items

Base Styles

Weaves are an essential skill in Agility and Rally-O, one that requires an investment in terms of time and effort to master. We aim to match your effort in training with our effort in design and execution.

Our weave pole bases feature,

- 1/4" thick welded steel "Zee" bases
- solid 3/4" steel pole pins
- anti-skid upper surfaces
- spike holes for outdoor use placed off-line for safety
- heavyweight to resist movement indoors

Weave Poles - Agility, Rally and Training Description	Item No.	Price
Training Twos <ul style="list-style-type: none"> Welded steel Z base with stake holes, 2" wide. Two (2) capped PVC poles, ¾" Sch.40. x 40" long 20" pole spacing, 40" overall base length, 'short-tails' of ½ pole spacing at each end. Exterior enamel finish with anti-skid texture treatment on top surface Weight: 10 lbs (4.5 kg) <i>To accommodate different training needs we price individual bases with 2 poles so you can order 2, or choose 3 if you wish to progress through to 6 in-a-line</i> 	AWP-2020-TS	\$ 44.00
